# A BISBEE FLOOD

A Cloudburst at the Head of Tombstone Ganyon

## MANY NARROW ESCAPES

Buildings, Teams and Wagons Carried Away on the Torrent - There Is so far no Report of Loss of Life - The Property Loss Great.

Douglas, Arizona, August 5 .-(Special.)-Between the three and five o'clock this afternoon the city of Bisbee was visited by the storm i nthe history of the place. Word was received here about 6:30 p. m. that the city was washed away and that there had been great loss of life. An attempt was made to get in communication with the city by telegraph son. but it was found that all of the wires vere down and bunched between Don Luis and Bisbee and no communica tion could be had that way. The telephone wire was found to be intacand inquiry brought out that there had been one of the worst storms ever known there during the afternoon There had been a cloud burst that poured torrents of water down into the canyons and the water rushing down Tombstone canyon had inundated stores, streets, houses and carried

ed up to this time, but there were many narrow escapes. Several men of feet before rescued. Horses, wagons, property. mules and several small buildings Through unofficial sources, it is heap in the gullies or where obstructions projected into the flood.

great deal of damage.

managed to swim out of the water The driver then scrambled to a place of safety but the wagon was swep down stream and when found was piled between the ruins of two shacks that had been washed away from their foundations and carried out of town. several small buildings were carried bodily from their foundations and ound later considerable distance from where they formerly stood. That there was no loss of life is due in a great measure to the tram subway as IT WITHSTOOD THE RUN his took care of the heaviest of the torrent before it reached the business enter where many people are em-

It is reported that the El Paso and Southwestern railroad tracks are in bad shape having considerable debris piled on the rails and the road bed is softened until it is unsafe in places Trainmaster C. A. Brown left for the scene as soon as it was reported with an engine and crew to clear the tracks packing houses had a counter attracstraightened out. These are known to be tangled and in a bunch, but it is worst flood of water and the hardest thought that communication will be resumed early tomorrow morning.

Rains have fallen in this vicinity and west of here daily for the past ten days, but this is the worst storm that has come to any section of southern Arizona during the present rainy sea-

Likely to Involve the Venezuelan President in Trouble.

Washington, D. C., Aug. 5 .- Minister Bowen has cabled the state department away everything that was portable and that he has lodged a strong protest many things that were supposed to with President Castro against the action of the government in seizing the asphalt mines telouging to the New York and Bermudez company. The rewere cought in the flood as it came ceiver of the government is said to be deposits during the day. When the from a visit to the Pimas and he adds tearing down the canyon and were car- supported by two Venezuelan warships ried along in some instances hundreds in his occupation of the company's

## Incident Divided Attention With Butchers' Strike

Packers Make Statement That Their Facilities Are Steadily Increasing. out in the Old Pacific Hotel at 10:39 On the Other Hand Strikers Plan to Make the Situation More Acute.

Chicago, Aug. 5 .- The strike in the and arranged to have the wires flon today in the excitement attending the run on the Drovers Trust and Savings bank, which is in the stock yards The rush of the depositors to the bank started early today because of an unfounded rumor that one of the packend representatives had withdrawn his money from the institution and reports that the bonk was used by the packing companies as an adjunct in paying imployes who have taken the places

All day hundreds of depositors stood n line to withdraw their small deposits. When closing time came this afternoon a thousand persons were waiting for their money. The bank determined to meet the emergency, called in extra teliers, and the place was kept open until every depositor who presented himself had been satisline had been paid his deposit in full.

It is estimated that more than 3,000 depositors called and withdrew their run was at its height the bank withthe bank being unable to meet its ob- suffering.
